[Da Brat]  
Mystikal  
What's up my nigga  
It's Da Brat-tat-tat  
Lettin' the whole motherfuckin' world  
Know I got your back  
If you don't like what my nigga Mystikal do  
Come see 'bout that shit  
Step to it, know what I'm sayin'  
You don't like what the fuck I do, step to me  
We 'gone see about your motherfuckin' ass, nigga  
Huh, uh, uh

[Da Brat]  
If I do somethin' you don't like  
Come and see about it  
You wanna box get 'cha dues somethin', or be 'bout it  
And ride off into the sunset,  
With the windows down, feet out it  
I got a foul mouth, I blow weed out it  
Seperate these thighs, get the price and eat out it  
Ain't no other bitch rowdy like me  
S-O, S-O, D-E-F, you C.K.  
Y'all bitch ass niggas disbehave me since the first day  
Worst way to kill 'em is hit the top of the charts  
First week at number one, R&B be a war  
Leave ya fake-ass manager home  
And if you need a nigga to see about me, come along  
I keep my enemies a far, don't need a friendly to me  
I make at least twenty-five just to breathe on the beat  
Tell me, how many niggas wanna fuck this bitch named  
Brat  
60644 is where I'm at, come see

[Hook: Mystikal & Da Brat] 2x  
You don't like!  
Come and see about me  
You gotta problem!  
Come and see about me  
You hurry up and come!  
Come and see about me

What's up whodi!  
Come and see about me

[Petey Pablo]

Who a that, the burnin' man, burner man  
Yeah, came here to burn some ass  
You don't see the burnin' man  
You don't see the blazin' hands  
You don't see 'em when I walk past  
(All smokin' in Hell)  
The So So, Da Brat brought  
Petey Pab and Mystikal  
Not now one of y'all  
Can fuck with these bulldogs  
Known for breakin' the law, just came home  
Get it on 'bout this damn microphone  
Who the best, who said this and who said that  
Here go three of the best on this God damn track  
And you can believe that  
Willing to bet my drive check  
If you don't rewind this back  
Somethin' wrong with deck  
I'ma can't forget spinnin off the wall type shit  
And no it didn't, I'm talkin' 'bout y'all type shit  
Greensboro to Cuira, Chapel Hill type shit  
Better send them folks to check for this  
Cause I'm the one that ill

Hook 2x

[Mystikal]

He's runnin' for your majesty, he's lost you with  
excellency  
His panicked descisions definitely can't stand next to  
me  
Dick get hard like Rob-eye, look at Hanley  
You know that four can break down hits on shit, be  
drillin's man  
We 'gone kill 'em in New Orleans, like kill 'em for jumb  
As cold as the Arctic, recorded in Georgia (rouff, rouff)  
None the blues don't approve, y'all niggas pink  
lemonade  
I hit the booth, your whole crew burst the canalade  
Such a bunch of fuckin' cowards  
Ain't worth the dirt that come off my ass  
You go down the drain when I take my shower  
New Expedition via Eddie Bowers  
Sometimes I gotta comb these fuckin' rappers hair, fix  
they collar  
Wanna be like me, we can take your bitch, and smack  
that daughter

Be a man, and tell them bitches what you causin'  
I'm a south cowboy, Howddyyyy!  
Call them creepers, come and see about me

Hook 2x

[Mystikal]

I come up out the cage and, I stand ragin', keep it  
blazin'  
Bitch I'm crazy, half man, half amazin'  
Half way up the charts, and bitch I'm halfway in your  
ass  
I'm only halfway with this rhyme, and got half y'all mad  
Soon as I come in this bitch  
You know I'm comin' in this bitch with somethin'  
The mic parker said "that's a bad rappin'  
motherfucker"  
I'll bust your ass up like a  
Mutherfuckin' bug stuck on the windshield wiper,  
walkin'  
Get 'cha gibber tape, for mister shit-talker  
The Volgar, the champion'll knock your shows off  
I'll cut 'cha like a Newport, with no gauze (oh don't)  
Bitch I'm stupid like I lost a few more  
Still bossin' 'em, still tossin' 'em  
Still holdin' MC's hand  
Takin' they ass across the street walkin'  
So let me know when you ready to bust  
With your head on the pavement  
Bring ya ass, you don't need no fuckin' invitation

[Mystikal & Da Brat]

Come and see about me  
Come and see about me, nigga  
Come and see about me  
Come and see about me

Hook 2x

Come and see about me  
Come and see about me
