Walking through the mind of Mystikal No holds barred Still don't give a fuck about ya'll

I'm still not the nigga to fuck with busta
[Unverified] the average nigga don't fuck with me
Fool a nigga in size, ain't much none of ya'll niggas can
do with me
Typically speakin', I'm not what your seekin'

Typically speakin', I'm not what your seekin' Now vision the rhymes that I be keepin'

I fuck like a Mohican, ain't drunk like them demons I'm quicker then one of those Puerto Ricans Get it off your chest, don't run on my set, I'm breakin' your neck If you gettin' upset I'm breakin' a sweat, y'all niggas ain't ready yet

I'm catching my breath, ya'll niggas ain't findin' wind I'm keepin' they momma from tryin' again I done fucked up more niggas then Henikken Fuck, I'm cute as a puppy, you smart as a guppy

Now how you gonna fuck me, that bitch get lucky she fucked me

And now that hoe can't stop thinkin' of me I'm thinkin' of much wealth, come tell ya how gettin' fucked felt

Ask them niggas that know me now Even them bitches will tell you i'm somthin else

Bitches, they like my good looks
But niggas can't stand that right hook
They might look but they stay put
I done stomped more niggas than Big Foot

What I mean is I'm grand, you can't fuck with this peacan man You don't know who I am, you goin' too fast, slow down Tito, damn

Nigga, go ring the alarm

I came in this bitch and I'm in the swarm My niggas are already armed Were turnin' this bitch into Vietnam

Nigga, go ring the alarm I came in this bitch and I'm in the swarm My niggas are already armed Were turnin this bitch into Desert Storm

I stick to the left like a thumb tack
I hum that to the drum track
No wives, tote no knifes
Bitch I'm sharper then a pair of Filas

See I'm humble, you fuckin 'em right, I'm makin' 'em mumble

Don't stumble, hoe I [unverified] the seen it for your fuckin' gumbo

When a homie compare me but spare me I'm a rap figure

Please never don't dare me, bitch I barely kept an [unverified] nigga

I run with the real niggas, they kill, they them ill niggas You best to chill niggas I don't fuck with them run-of-the-mill niggas Here's what you gonna feel nigga

Heavy pressure from both sides, as the brain collides

I'm tellin' them lip lies, I hang with hip guys
I split thighs, bitch don't ask me for shit
You get nothin', no tighter than grip [unverified]
Fuck nigga, don't bother me and try to be and tired of me

Walkin' out the hood with more bitches number then lottery

Look, I like fuckin' around but I ain't fuckin' with no fuckery

Luckily, none of you niggas in here ain't cold enough to fuck with me

Fuck niggas can't touch that, no [unverified], get the fuck back

Fore you find yourself achin' from you ass crack to your nut sack

I run these hoe brand niggas from the back of the map To the front of China Just when you thought it was safe to back in the water I'm right behind ya We as one must combine to never be stopped nann man

Novice, servants, fiendins, demons, devils Griffins, goons, raidin' rebels Women, wizards, warlocks, witches Punk fags like bitches

Gold, platnium, silver, copper Any kind of pussy popper gets wopped or chopped When Mystikal hits that door, now watch Nigga want a big cock, get popped like Hitchcock

When I rib shot, when I hip hop, that zip lock thats thick knot Ohh, it's goin' though me, got me struttin' When E.F. Hutton talks everybody listens

Nigga, go ring the alarm I came in this bitch and I'm in the swarm My niggas are already armed Were turnin' this bitch into Vietnam

Nigga, go ring the alarm I came in this bitch and I'm in the swarm My niggas are already armed Were turnin this bitch into Desert Storm
