me thats  
me me thats who  
me me thats who  
im tha round out tha tank  
im tha round out tha tank  
im tha round out tha tank  
im tha loud blokem blokem rockem rockem comin from  
behind  
~\*mystikal\*~  
im ths whoooooooooo(a whistlin sound)before the  
boom  
im tha fire in the hole, comin from tha tube  
im tha claymore mine sittin in tha dirt  
im tha prone unsupported  
im tha domp domp domp tha 3 round burst  
tha sleepin bag in tha freezin weather  
im the fragmentation vest for shrapnel and flyin metal  
im the auto on tha fire select  
im the thousand shells bouncin off the brass deflector  
squeeze tha trigga center mass  
when its time to take aim  
im the aherrrrrr boom when they ricochet down brain  
freakin, heat seekin and keepin my target  
im that biological threat you dont wanna go to war wit  
shot to kill i dig your fuckin grave where you live at  
im almost there one click away from your  
bivuoac(pronounce biv-wack)  
flash bang, highly illuminated  
this is operation fuck all my destiantion  
~\*mystikals chorus\*~(x2)  
me thats  
me me thats who  
me me thats who  
im tha round out tha tank  
im tha round out tha tank  
  
im tha round out tha tank  
im tha loud blokem blokem rockem rockem comin from  
behind  
~\*mystikal\*~  
I'm all your rank, ribbons, stripes and precious  
decorations

I'm that fuckin hole in the earth after detination  
C-130 airborne soldiers comin from tha sky  
reconize ground troops rollin like they hemmit tires  
A fifty mile road march so save your breathe  
if i dont getcha wit that rifle ima catchya wit my  
bayonet  
i run wit m1's towin howitzers  
im a 45 day 45 night field problem  
im that smart book when the live exercise begun  
and when it gets dark im noise and light disipline  
12 bravo bring you out your foxhole  
make it to da bunker it aint no survival  
im that war vet thats combat ready  
wheاهر artic, or jungle or tha middle of tha desert  
they try to make it when they know they cant  
how that fuck you gon run from the round out tha tank!  
~\*mystikals chorus\*~(x4)  
me thats  
me me thats who  
me me thats who  
im tha round out tha tank  
im tha round out tha tank  
im tha round out tha tank  
im tha loud blokem blokem rockem rockem comin from  
behind
