The bitch been sleepin' with me  
The bitch been sleepin with me

The bitch been sleepin' with me  
The bitch been sleepin with me

I woke up this morning, dick rock hard  
This time I had scratches on my back  
Agh, lipstick on my draws

'Cause me and the bitch from down the street been  
creepin'  
I beat that pussy like a heathin' and she keep my  
beeper beepin'  
Don't repeat this

The whole while we was sneakin' I was cheatin'  
Shhh, it's a secret  
My lady wanna try to kill me to find out where I was  
sleepin'

I guess the fuck, she can't find out  
Come on hoe hurry up and put on your mutherfuckin'  
clothes  
Look bitch we got to dine out

She [incomprehensible] me locks, give me knots  
Put on your draws and your socks  
She make unannounced frequent stops

It wouldn't be nothin' pleasant if she catch us  
Or find them dirty love letters  
Or them pictures of you in sexy teddies

She knows it's heavy breathin' when we finish  
Legs and shit gonna be numb  
And you gonna be so [incomprehensible]

Find your mutherfuckin' earrings and fix yo hair  
Come on lets bounce up out this motherfucka before  
(Michael, you in there)

The bitch been sleepin' with me  
The bitch been sleepin with me

The bitch been sleepin' with me  
The bitch been sleepin with me

The bitch been sleepin' with me  
The bitch been sleepin with me

The bitch been sleepin' with me  
The bitch been sleepin with me

I didn't want to get into it, get involved  
I know you know that's that same broad from them late  
night phone calls  
But I swear darlin', I done begged that bitch to stop  
callin'  
Come on don't look at me like that, it ain't that way at  
all

Besides shit, we ain't married, I ain't got nothin' to hide  
If I'd fucked, I could've told ya, she said,? Ya ain't gotta  
lie?

Just for your information I walked down the street on  
the side  
When you and that bitch was gettin' outta dodge

I already found out you's a rapper so I should'nt be  
surprised  
I guess I had to see it with my own two eyes  
I said, ?What the hell, F.B.I., she a spy?  
Girl, pull that fuckin' skin back and call me circumsized

She said,? Yea, you make me laugh but you make me  
cry  
And I done put up with shit, them trifflin' hoes and I'm  
tired?  
I said, ?what you tryin' to say"  
She said, "I would just let you slide but I got my pride  
I love you Michael but this is goodbye, you all know  
why?

The bitch been sleepin' with me  
The bitch been sleepin with me

The bitch been sleepin' with me  
The bitch been sleepin with me

The bitch been sleepin' with me  
The bitch been sleepin with me

The bitch been sleepin' with me  
The bitch been sleepin with me

And being that I'm happily unmarried with no  
attachments  
A black bachelor with cabbage  
Bitches be throwin' pussy at me

Baby, you nasty  
But put your number in my bepper and I'll pick you up  
Saturday  
She said, "Saturdays, bad, I'm off Sunday?"

I said, "Sunday I gotta got to the studio, I'll hook up  
with you Monday?"  
She said, "Damn, honey, Monday, I'm a have my son  
And Tuesday I got an appointment at the salon to get  
my hair done?"

I said, "Shucks, it ain't no thing, baby, handle your biz  
I ain't got no chil'ren but Mystikal love the kids?"  
She said, "That's cool, I'm free Wednesday where you  
live  
I'll get my girlfriend to drop me off over there? and  
that's what she did

But she pulled up with a fine ass friend  
She said, "My girlfriend gotta go to the bathroom bad?"  
I said, "Go on in?"

But I'm go in there with ya, show you where  
Made that old girl stay down stairs, while we went  
upstairs  
Y'all know damn well, the bitch friend been sleepin'  
with me

The bitch been sleepin' with me  
The bitch been sleepin with me

The bitch been sleepin' with me  
The bitch been sleepin with me

The bitch been sleepin' with me  
The bitch been sleepin with me

The bitch been sleepin' with me  
The bitch been sleepin with me
