Whatcha gone do, whatcha gone do nigga huh?

There he go, there he go, there he go

(Get that mother fucker)

There he go, there he go, there he go

(Get that mother fucker)

There he go, there he go, there he go

(Get that mother fucker)

If you gone be down, be down, stay down

Get the fuck from 'round me

Nigga let me know if you got some type of fuckin'
problem

We can solve it, wash it up and dissolve it

Up the pistol lay it down on the carpet

I ain't come here for no fuckery, don't fuck with me

Niggas sly be ducking like PAC

'Cause I'm a hoodlum like Skull Duggery

You can't get enough of me

Don't worry bout the pain bitch 'cause you gone die
suddenly

They be playin' taps for your ass at reveille

You ain't gone need no do not disturb

'Cause you gone sleep heavenly

I'm reminisce about my baby, then I wipe my tear

Plottin' revenge on one of these bitch ass nigga out
chya

I done lost it, I done surpassed mad

I can't keep still 'cause my nerves are bad

I punch the brick wall with my balled up fist

I know I can't rest till I catch that bitch

There he go, there he go, there he go

(Get that mother fucker)

There he go, there he go, there he go

(Get that mother fucker)

There he go, there he go, there he go

(Get that mother fucker)

There he go, there he go with his ol' lady
Deck out hands down, back turned like its all grave
Why nigga? Now bye bye nigga
Took a long but I got that nigga fine

And ya'll gonna have to forgive me
This nigga here can cancel New Years
'Cause he ain't even much gone live to see Christmas
Wrong, wrong! Nigga get your issue
I was beatin' up his kidney with this motherfuckin' 50

The job well done make dick get hard
I bagged that bitch with the pistol then I walked the fuck
off
Huh, what goes around comes around my nigga
So why I'm still here I'm a hold down my nigga

This for the gangstas and killas, drug dealers and wig
splitters
This for my niggas locked down and all the niggas that
feel us
This for the projects and ghettos with the scatter sight
And every street nigga thats duckin' them flash lights

There he go, there he go, there he go
(Get that mother fucker)
There he go, there he go, there he go
(Get that mother fucker)
There he go, there he go, there he go
(Get that mother fucker)

Hum, yeah, this Guillotine bitch, Father Foolishness
I'm still here, what about yo self?
You still runnin' nigga, 'cause we lookin' for yah
Bitch you must believe that a nigga lookin' for yah
So keep runnin', and we will keep comin' as long as you
runnin'
We gonna make money, so fuck everything you stand
