(Precise)

Man, them niggas can't fuck with you, man, fuck them niggas man!

(Mystikal)

I know, I, I, I know

I know y'all niggaz can't fuck with me cause I can't fuck with my damn self

I know, I know y'all niggaz can't fuck with me I

I know y'all niggaz...

Ungh, got-damn it took a nigga

thirteen motherfucking years through this shit

bruh, I been rappin since La-Di-Da-Di some fucking where

I know y'all niggaz I know y'all niggaz I know y'all niggaz

Aw shit, it's on nigga

Chorus:

I'm still not that nigga to fuck with buster, bad for your ho health

I know y'all niggaz can't fuck with me cause I can't fuck with my damn self

When Mystikal hits the door (door closing sound)

See can't nobody fly, through the swamp and bayou, like I do

I know y'all niggaz can't fuck with me and they can't but they try to

Some niggaz just need to be warned

It's gonna be harder to get it up on a my own nigga go ring the alarm

Matter fact better know what it take

for the back of your head to hit that grass

Let' s get this straight from the jump

I ain't playing with your bitch ass

These outside niggaz that run to the mic better come clean

Fuckin with that Saudi Arabian

Desert Storm veteran 12th ward offspring
I'm runnin these niggaz to the jets
to the hills, to the back of the tracks
A-A-ask them hos, did I do that?
I'm coming boisterous with 5 million switches
I'm the man with single and double and triple
and four five six time them bitches
I'm the nigga with the go head, fuckin your bitch up in
your bed
standin 5 foot 'leven dick crooked like a roach leg
Much bone and I don't fail a test
Little
