"Come Alive"

Looking back on the past,
Mix me away with your lies.
That don't change!
Here I am, I'm the man,
And you had your chance.
And you're fading!

Straight in the hole!
Kill the air that keeps you breathing!
You're so fair!
Your pretty world is come to break you.

Will you feel it?
When I make it?
Will you come alive?
Can you taste it?
When I take it,
Gonna make it mine!

Used to days, memories,
See me suffocate.
And you're slipping!
Here I am, and I stand,
With my head held high.
I'm still breathing!

Straight in the hole!
Kill the air that keeps you breathing!
You're so fair!
Your pretty world is come to break you.

Will you feel it?
When I make it?
Will you come alive?
Can you taste it?
When I take it,
Gonna make it mine! Gonna make it mine...

Will you feel it?
When I make it?
Will you come alive?
Can you taste it?

When I take it,
Gonna make it mine!

Will you feel it?
When I make it!
Can you taste it?
When I take it,
Gonna make it mine!
