Just another day which is dead  
Just another evening lying on my bed  
Feelings explode and wishes are too far  
Thoughts of you invade my head

My eyes are blinded by your face  
Because I don't know your feelings' taste  
Oh, are they sweet? Or bitterly intense?  
I know there is no chance to win the race

Just another day lying on my bed  
The invading words begin to spread  
Get strong and fill me up with pictures of your face  
I can't catch any chance to win the race
