I love my women just how I want
The Gucci and the Prada and the Louis Vuitton

I love my women just just how I fuck
popping champagne, live it up in lux.

Shake, shake, shake, shake your money maker
Shake, shake, shake, shake ah ah ah ah
Shake, shake, shake, shake your money maker
Shake, shake, shake, shake ah ah ah ah

I love my women just how I want
The Gucci and the Prada and the Louis Vuitton

Shake your money maker

Shake, shake, shake, shake your money maker
ah ah ah ah
Shake, shake, shake, shake your money maker
ah ah ah ah
Shake, shake, shake, shake your money maker
ah ah ah ah
Shake, shake, shake, shake your money maker
ah ah ah ah

I love my women just how I want
The Gucci and the Prada and the Louis Vuitton

I love my women just just how I fuck
popping champagne, live it up in lux.
