Last night girl, I hearted the way you moved  
But today girl, I'm jsut trying to break your heart  
We spent all day and night doing as we please  
You know it's about that time for you to pack your shit  
and leave

Sexy lady, under the stars  
You had your fun and we had ours  
Sexy lady, under the stars  
You had your fun and we had ours  
Get up, get up, and get out

Buh bye beautiful

Don't you dare, look at me with those faded, glassy  
eyes  
because last night, girl, all I told you were fake, painted  
lies.  
We spent all day and night doing as we please  
You know it's about that time for you to pack your shit  
and leave

Sexy lady, under the stars  
You had your fun and we had ours  
Sexy lady, under the stars  
You had your fun and we had ours  
Get up, get up, and get out

Buh bye beautiful

You know just how I am girl  
You know just who I am girl  
You know just how I am girl  
You know just who I am girl

Sexy lady, under the stars  
You had your fun and we had ours  
Sexy lady, under the stars  
You had your fun and we had ours  
Get up, get up, and get out

Buh bye beautiful
