Here we go

Tell me pretty baby, tell me all about you
You make me go crazy when I'm staring at you
I never knew that we could fall in love
girlfriend, do you know what love is?
I can be yours, you can be mine
Uh huh yeah, yeah that's right
And you know, it's the thing to do
We become two, It'll be alright
Together forever uh, uh, uh, uh.

We can be together forever uh, uh
Together forever uh, uh, uh, uh

We can be together forever uh, uh
Together forever uh, uh, uh, uh

Have you ever made love to a boy like me?
You're such a good fuck, keep on touching me.
Why don't you see that we could fall in love?
girlfriend, do you know what love is?
I can be yours, you can be mine
Uh huh yeah, yeah that's right
And you know, it's the thing to do
We become two, It'll be alright
Together forever uh, uh, uh, uh.

We can be together forever uh, uh
Together forever uh, uh, uh, uh
We can be together forever uh, uh
Together forever uh, uh, uh, uh

Rock your body. We move like lovers.
Rock your body and touch me all over.
Rock your body. We move like lovers.
Rock your body and touch me all over.
We can be together forever uh, uh
Together forever uh, uh, uh, uh

We can be together forever uh, uh
Together forever uh, uh, uh, uh

Tell me pretty baby, tell me all about you
You make me go crazy when I'm staring at you
Have you ever made love to a boy like me?
You're such a good fuck, keep on touching me.
We could fall in love.
girlfriend, do you know what love is?
