This land is your land, this land is my land,
From California to the New York Island,
From the redwood forrest to the gulfstream waters,
This land was made for you and me.

As I went walking that ribbon of highway
I saw above me that endless skyway,
I saw below me that golden valley,
This land was made for you and me.

This land is ...

I roamed and rambled, and I followed my footsteps,
To the sparkling sands of her diamond deserts,
All around me a voice was sounding,
This land was made for you and me.

This land is ...

When the sun come shining, then I was strolling,
And the wheat fields waving, and the dust clouds
rolling,
A voice was chanting as the fog was lifting,
This land was made for you and me.

This land is ...

In the squares of the city by the shadow of the steeple
Near the relief office I saw my people
And some were stumbling and some were wondering if
This land was made for you and me.

This land is ...

As I went rumbling that dusty highway
I saw a sign that said private property

But on the other side it didn't say nothing
This land was made for you and me.

This land is ...

Nobody living can ever stop me
As I go walking my freedom highway
Nobody living can make me turn back
This land was made for you and me
