I know you're sorry,  
trapped inside,  
I'm livin a dream-nightmare,  
I want to get out so bad,  
It's like your breath hurt,  
don't you  
I know that you  
I want to be free  
I'm here take my wings oh no  
god knows you've run  
you've tried so hard  
here take my wings oh  
oh contessa  
I'm you're free from now on  
I'm and a oh contessa  
I'm you're wonderfull  
even if you didn't know it no,  
I want to go,  
in the mornin blow,  
run noway from the darkness,  
you run from mother,  
moon of the black,  
I'm but you can't take it back,  
no no, no, i know that you,  
want to move on,  
here take my heart,  
no no, god knows you've tried,  
you've cried so high,  
here take my heart, no no,  
oh contessa  
you're free from now on,  
and a oh contessa you're wonderfull  
even if you didn't know it no,  
i know you wanna go home,  
I'll take you there,  
I'll take you there,  
i know you wanna go home,  
I'll take you there,  
I'll take you there,  
oh contessa  
you're free from now on,  
and a oh contessa you're wonderfull

even if you didn't know it no,  
oh contessa  
you're free from now on,  
oh contessa  
you're free from now on,  
even if you didn't know it no,
