When you see a real nigga, bow down
You a fuck nigga boy bow down
You aint never killed a nigga bow down
You aint never sold brick bow down

Drop the top, pop a pill, Im rolling
Laughing at these haters, Im swerving
He thugging, we lurking
You a gangsta, Im a monster
Cannibal, cannibal, eat your fucking face off
I rude to you, rude to you, catch a body part
I get rid of you, rid of you, now thats the real gangster
I never seen a nigga that I couldnt kill
I never seen a pussy that I couldnt fuck
We the motherfucking mob, we dont give a squat
Throw your sets up nigga, throw your sets up
Rep your hood, rep your flag, sets up
