Well it's too late  
To revise your apologies  
So put on that deserving tone  
It may be "superficial"  
May be right or wrong but  
I don't wanna be with someone not strong enough  
for me

This won't get better  
I can see  
I can see how

You're too blind to see  
That you need me  
And sometimes I  
Sometimes sometimes I need you  
You're too blind to know  
When it's over  
Cause sometimes I  
Sometimes sometimes I need you

Well it's just fate  
I'll remind you, I'm honestly  
Worn out on wasting all my time  
Faith floods my crowded mind  
With this chance  
This chance to pass you by

This won't get better  
This won't get better

You're too blind to see  
That you need me  
And sometimes I  
Sometimes sometimes I need you  
You're too blind to know  
When it's over  
Cause sometimes I  
Sometimes sometimes I need you

Sometimes sometimes I need you  
Sometimes sometimes I need you

This won't get better  
This won't get better

You're too blind to see  
You're too blind to see

You're too blind to see  
That you need me  
And sometimes I  
Sometimes sometimes I need you  
You're too blind to know  
When it's over  
Cause sometimes I  
Sometimes sometimes I need you  
Sometimes sometimes I need you  
Sometimes sometimes I need you
