(Intro)

Yo umm

Can I get a beer

(Verse 1)

I can't believe

How much time has passed

Since I was yours

Since I was yours

Maybe we

Said goodbye too fast

When I was yours

When I was yours

(Verse 2)

Maybe I

Didn't really try

When you were mine

When you were mine

You should know

You've been on my mind

And that I

(Chorus)

Wish you were mine

Wish you were mine

(Bridge)

I heard you got a new man

I've just got one question

Do you love him

Can he love you the way I can

And if the answer is no

Then baby don't hold on

It aint right

This love is yours and

Mine(x8)

It's yours and

Mine(x8)

Yo umm

Still waiting on that beer

(Chorus)

Wish you were mine
Wish you were mine
Yeah I wish you were mine baby
Yeah I wish you were mine
I wish you were mine baby
Yeah I wish I wish I wish I

(Outro)

Yeah I try not to think about it
Most of the time and
I'd do it again if you would
Give it a try and
I I could be wrong but I think that
You are the right one
It's yours and mine
It ain't nothing righter than
I try not to think about it
Most of the time and
I'd do it again if you would
Give it a try and
I I couldn't be wrong but I think that
You are the right one
It's yours and mine
It ain't nothing righter than
us
