Go, go!

Hook:

I'm turned up, bottles in the sky
bad chick guess bottles from the birds eye
chickens in the coop but they all fly
the girl around me a suicide
suicide, suicide, suicide
the girl around me it's a suicide, so suicide
killin all the niggas the 99
the girl around me a suicide

The the girl around me
I bet she lead it, lead it, lead it rub around three
I bet she turn the boom off till you see the voice mail
I bet she turn upon of you see it to the..
girl you know I love it when you come in this club but
the mills all
your body make me wanna get my feel on
your bottom make me wanna get my feel on
your body make me wanna get a table
and some bottle tell the waitress bring the limon in the
limo

Throw ahead girl grab a cup,
Throw ahead girl back it up
girl you know hot, girl you know you hot
girl you know you make me wanna fall in love
girl you make me wanna take you home
do it all night to the..in the morning time
what you're sayin baby come on

Hook:

I'm turned up, bottles in the sky
bad chick guess bottles from the birds eye
chickens in the coop but they all fly
the girl around me a suicide
suicide, suicide, suicide
the girl around me a suicide
so suicide killin all the niggas the 99
the girl around me a suicide

Girl you know you're finest you can be
girl you know I want it get your number for a lead
girl you know you turn me on the night can honestly
so say that you're the baddest girl that I've never seen
ever seen, ever seen nobody moving body moving like
you move it girl
your body moving like the..move it girl
you make me wanna see you naked shake your booty
girl
let's get uzzy girl, let's get uzzy girl

Throw ahead girl grab a cup,
Throw ahead girl back it up
girl you know hot, girl you know you hot
girl you know you make me wanna fall in love
girl you make me wanna take you home
do it all night to the..in the morning time
what you're sayin baby come on

[Hook:]

I said my neck so cold im a need some..
I'm so fucking fly boy I prolly need a parachoot
realest nigga in it who the fuck they gone compare us
to
and niggas think they fucking with me they gonna need
a miracle
all you on that shit, bad bitch all in my dick
two fifty on my neck, two fifty on my wrist
see yall keep telling them lies and I keep talking that
shit
real nigga till the day I die score on your hoe like
swishh
new Rolls Royce that suicide, them leather seats so
north side
your lead bitch that suicide now pick a choice nigga do
a die
some double D, so supersize and their ass on it so
superfat
that bitch bad I salute to that
she wanna fuck Im like true to that
