[Evonne:]

Uh, yea.  
Insomniac.  
Uh huh.  
Myxx.

[Chorus:]

See I'm in love with you,  
But you're in love with her.  
I don't know what to think anymore. (You do nothing  
but, you talk a lot)  
You got me so confused,  
The things you say to me,  
Your actions contradict your big talk. (You do nothing  
but, you talk a lot)

[Liz:]

See I thought I knew everything,  
But the rumors keep on circling. (Yea)  
I see the joke is on me. (You do nothing but, you talk a  
lot)  
While I was at the beauty shop,  
I was minding my own business,  
When your name came up. (Yea)  
Keeping secrets must be your thing. (You do nothing  
but, you talk a lot)

I ain't got no time,  
To play with you,  
And all your childish ways,  
Why everytime,  
I fall for a guy,  
Turns out,  
He's runnin' games.

[Chorus:]

See I'm in love with you, (I'm in love with you)  
BUT you're in love with her. (But you in love with her)  
I don't know what to think anymore. (You do nothing  
but, you talk a lot)  
You got me so confused, (Now what you see in her)

The things you say to me, (That you don't see in me)  
Your actions contradict your big talk. (You do nothing  
but, you talk a lot)

[Liz:]

If one girls not good enough, (Uh)  
You can move on without me.  
Cuz I just can't be a part of your lies. (Nope, uh, uh, uh)  
I suggest you set the record straight, (Okay)  
Cuz I won't settle for second place. (Come on)  
Baby boy you better make up your mind, (Yea)  
No more big talk.

[Chorus:]

See I'm in love with you, (I'm in love with you)  
But you're in love with her. (But you in love with her)  
I don't know what to think anymore. (You do nothing  
but, you talk alot)  
You got me so confused, (You got me so confused)  
The things you say to me, (What you sayin' to me)  
Your actions contradict your big talk. (You do nothing  
but, you talk alot)

[Evonne:]

Baby boo you got too many secrets,  
Enough for me to off ya.  
Too much talkin',  
Now your girl walkin'.  
We done died off,  
I done out-line-chalked it.  
And I just stopped it,  
Gettin' over that ish.  
I ain't movin' backwards,  
This is not a backstroke.  
Yea this a track but,  
This is not a rap though,  
This is a fact though,  
We gotta move on.  
And next time you see me,  
I'ma be gone.
