[Liz:]

I'm calling all my girls,

Let's get together finally,

It's the weekend.

Ohhh oh, ohh ohh, ohhh.

We're going out tonight,

And we're breaking all the rules, (Wooh)

Best believe it.

Ohhh oh, ohh ohh, ohhh.

It's an open invitation, (That's right, that's right)

To all my girls across the nation. (That's right, that's right)

We got all the fellas talkin'. (That's right, that's right)

So if you got one leave your man at home,

Cuz tonight it's going down.

It's girls night out,

And we gon have a good time.

[Evonne:]

Clap your hands 1 time,

Cuz your boyfriends home tonight. (Yea, yea)

[Liz:]

So ladies live it up,

We're celebrating all night.

[Evonne:]

Move it left to right, oh,

Shake it, shake it all night.

[Liz:]
It's girls night out,
And we gon have a good time.

[Evonne:]
Clap your hands 2 times,
If you're single and looking for fun.

[Liz:]
So ladies live it up,
We're celebrating all night.

[Evonne:]
Move it left to right, oh,
Shake it, shake it all night.

[Liz:]
I said we're living it up,
Paparazzis at the door,
Tryna get in. (Tryna get in)
Ohhh oh, ohh ohh, ohhh. (Hey)
We're makin' all kinds of noise.
The boys? is crazy,
All about me and my girlfriends.
Ohhh oh, ohh ohh, ohhh.

It's an open invitation, (That's right, that's right)
To all my girls across the nation. (That's right, that's
right)
We got all the fellas talkin'. (That's right, that's right)
So if you got one leave your man at home,
Cuz tonight it's going down.
