Uh, uh.
Uh.
Uh, ohhh.
Ohh, ohh.

[Evonne:]
I ain't tryna be patient,
Keep secrets like masons.
But I'm feeling outrageous,
So you talk and you brag.
And your cars n' you're flashin'.
That whole swagger is outdated.
I got a thing for a king,
I need a tiffany ring,
And I'm lovin' how you make me feel.
That's amazing,
So relating,
Knowin' you're my baby.
So real.
I'm sayin',
You are in my plans,
You can be my man,
I'm your lady.
It's so crazy.
I could be your loise lane,
And you are my superman come save me.

[Liz:]
Oh my goodness,
You're so fine.
Think about you all the time.
And ever since I seen you,
I don't wanna be with,
Anybody else... but you.

Oh my goodness,
You're so fine.
Think about you all the time,
And if you wanna please me,
Boy it's really easy,
Just gotta treat me right.

[Liz:]
All I need is your heart.

[Evonne:]
No cars, no clothes, no rims, no rose, just you.

[Liz:]
All I need is your heart.

[Evonne:]
Black cards, maybacks, laid back, passports, I'm cool.

[Liz:]
All I need is your heart.

[Evonne:]
No rings, no blings, weekends over seas won't do.

[Liz:]
All I need is your heart.

[Evonne:]
Close guys, may try, but no one else will do.
