I Hit The Club On Them Wheels  
So They See I'm A Rider  
Little Bit Of Fendi  
Little Bit Of Escada  
Dudes Flashin They Cash  
I Tell Them don't Bother  
Cuz You Are Now Rockin With A Baller  
Miss Shot Caller  
I Do's It How I Do's It  
High Class Walk In My Jimmy Cho Shoes's  
I Move How I Moves It  
I Gotta Uhaul-It  
Dudes Try To Choose Me  
They Gotta Be Bossin

I've Got First Dibs On  
I'm Standing By The Wall  
Lookin Like, "T.I.? Who's That?"  
All I Know Is I can't Stop Checking Him  
I Need To Calm Down And Relax  
I'm Lookin Sexy And I Know  
Knockin Out My Opponents  
Hair Done, Nails-Toes All Match  
I Should Move A Little Closer  
Maybe Tap Him On The Shoulder  
Gotta Make My Move Real Fast

He's On The Sideline Girl And I'm Checking Him  
Imma Holla In A Minute, See If He Got A Friend  
And Imma Keep My Game Tight, Show Him I Got It  
I'ma Spit That Real Talk, Believe It

He's On The Sideline Girl And I'm Checking Him  
Imma Holla In A Minute, See If He Got A Friend  
And Imma Keep My Game Tight, Show Him I Got It  
I'ma Spit That Real Talk, Believe It

D-Dj's Rockin The House  
Playin My New Song  
And I Wanna Hit The Floor And Dance  
So I Grab Him By The Hand

Wink My Eye At Him  
He Tells His Boys He'll Be Right Back  
As We're Moving To The Floor  
One Things For Sure  
He's Fallin Into My Trap  
He Better Watch Out  
Cuz I'm Feelin Him  
And He Might Just Met His Match

(What's That?)  
I Feel This Dude And I Think He's Feelin Me  
(Now Whos That?)  
This Other Chick, She Tryna Be All In The Scene  
(Watch Out)  
She Tryna Get Him, But He Leavin Here Wit Me  
See He's Bout To Be Mine, Believe It

He's On The Sideline Girl And I'm Checking Him  
Imma Holla In A Minute, See If He Got A Friend  
And Imma Keep My Game Tight, Show Him I Got It  
I'ma Spit That Real Talk, Believe It

He's On The Sideline Girl And I'm Checking Him  
Imma Holla In A Minute, See If He Got A Friend  
And Imma Keep My Game Tight, Show Him I Got It  
I'ma Spit That Real Talk, Believe It

My Girls Whisperin In My Ear  
Like "Shawty, He's A Cutie"  
He's Checkin My Walk Out  
It's Meaner Than Judge Judy  
He's Throwin Me Ice Grills  
I See That He Wants Me  
And I'm Doin The Damn Thing  
He Sees That I'm No Groupie  
But Still He Gonna Walk Up Wit The Boys Like  
I Got The Type Of Swagger All The Boys Like  
And Now I'm Tryina See Wat 'ol Boys Like  
Because Tonight You Leavin Wit Cha Girl  
Cuz These Are The Mommas  
Too Primadonna  
Why Would You Wanna Leave Wit One Of These Bench  
Riders  
Mr Sideliner, I'm In The Game  
So How Would You Like To Start Wit The Top Five-Ers  
Yea Boy I Got Ya  
Oh Yea I Got A Couple Friends  
So If You Got Friends  
We Could Hit The Stretch Benz  
I Got You In The Game  
So Now U Bout To See

Exactly How It Feels  
To Play Wit A Major League

He's On The Sideline Girl And I'm Checking Him  
Imma Holla In A Minute, See If He Got A Friend  
And Imma Keep My Game Tight, Show Him I Got It  
I'ma Spit That Real Talk, Believe It

He's On The Sideline Girl And I'm Checking Him  
Imma Holla In A Minute, See If He Got A Friend  
And Imma Keep My Game Tight, Show Him I Got It  
I'ma Spit That Real Talk, Believe It

He's On The Sideline But, He's Leavin Wit Me  
He's On The Sideline But, He's Leavin Wit Me  
He's On The Sideline But, He's Leavin Wit Me  
Cuz I Spit That Real Talk, He's Leavin Wit Me
