(Elizabeth)

I don't like to leave the house
Cuz you might pop up when I'm out
And I don't want to see you anymore
I need a little more time to recover
Cuz you put a strain on my heart (my heart)

I can't seem to run, No need to hide
No matter where I'm at, You always seem to find
You got a hold on me, It's too hard to break
No matter where I'm at, I can't get away

That thing you did to me, Was so cruel even in my
dreams
I see you, you keep haunting me, And I don't know
Where I'm supposed to go, When I turn to a
Wrong turn(x2) I must have made a wrong turn, Wrong
turn
Wrong turn(x2) I must have made a wrong turn, Wrong
turn

(Evonne)

Every corner I turn, Every alley I walk in
No matter where I'm at I swear, I feel like you stalking
me
Hard to replace him I see
