I'm gonna top off my tank  
Get loaded with provision  
I'm leavin' town right now  
Goin' on another mission

Gonna drive straight through four states  
And do a three hour show  
Man it sure beats diggin' ditches  
Livin' life on the road

Ain't gotta pay no rent  
Or worry about no deals  
Can drift up in a dream  
To the rumble of the wheels

Never have to worry now  
How I get my meals  
(uhn-ah, baby)  
Every bit I own  
Livin' life on the road

Well there's I-10 west,  
I-40 east,  
Thirty-five to Minnesota  
Fifty-nine to New Orleans  
A gal down in Louisiana  
Really know how to swing  
Lord I never get down low  
Livin' life on the road

All right man, let's go!

[Interlude]

Well there's I-10 west,  
I-40 east,  
Thirty-five to Minnesota  
Fifty-nine to New Orleans

A gal down in Louisiana  
Really know how to swing  
Lord I never get down low

Livin' life on the road

Yeah, it's the only way to go  
Livin' life on the road
