Do you see that gal with the blue dress on
That's what daddy wants
My low down blues are long gone
That's what daddy wants
If she'd make a big ol' like-it song
That's what daddy wants

(Chorus)

Well, that's what daddy wants
Brother, that's what daddy wants
I want a gal that treat me right
That's what daddy wants
Go honky tonkin' every night
That's what daddy wants

[Interlude]

Every day she passes by
That's what daddy wants
She sure a sight for my sore eyes
That's what daddy wants
If she were mine my heart would fly
That's what daddy wants

(Repeat Chorus)

(Oh yeah, that's what daddy wants baby)

Well, that's what daddy wants
Baby, that's what daddy wants
I want a gal that treat me right
That's what daddy wants
Go juke joint jumpin' every night
That's what daddy wants
