Any more could make a crowd
But they're happy
Just hanging out
Riding on
The hand of the clock
Doing nothing
But that's a lot
To do

Letting in
For second pass and
Never trying
To make one last
Dreaming of
The little things
That they're happy
Just to keep in dreams

Cuz all this nothing yeah
It feels so good
To do
All this nothing
With no "ands" not "buts" no "shoulds"
All this nothing yeah
It feels
So nice

Got no plans but
That's alright
That's alright

Then everyone
Spread on the couch
With nothing crucial
To talk about
Letting time
Move 'em around
Back and forward
And upside down

Cuz all this nothing yeah
It feels so good

To do
All this nothing
With no "ands" not "buts" no "shoulds"
All this nothing yeah
It feels
So nice

Got no plans but
That's alright
That's alright
That's alright

Cuz all this nothing yeah
It feels so good
To do
All this nothing
With no "ands" not "buts" no "shoulds"
All this nothing yeah
It feels
So nice

Got no plans but
That's alright
That's alright

That's alright
