My crooked little heart always lies to me
It sells me out when you come around
Then never skips a beat that same twisted heart
Commands my eager tongue to tell you
That I'll take you back, no matter what you've done

My crooked little heart
Won't be happy 'til I'm torn apart
Every time I think we're finally through
My crooked little heart
(My crooked little heart)

(My crooked little heart)
Leads me straight to you
(Yeah, yeah, yeah)
(Yeah, yeah, yeah, oh, oh)

My poor troubled mind tells me I should leave
And it would have its way if I had my say
But it's not up to me

My crooked little heart
Won't be happy 'til I'm torn apart
Every time I think we're finally through
My crooked little heart
(My crooked little heart)

(My crooked little heart)
Leads me straight to you
(Yeah, yeah, yeah)
(Yeah, yeah, yeah, oh, oh)

Maybe it's not just me, who feels the way I do
Why else would you be here now unless you had one,
too?

So 'round and 'round we go, until you're gone again
A day, a week, a month, a year it never really ends

My crooked little heart
Won't be happy 'til I'm torn apart
Every time I think we're finally through

My crooked little heart
(My crooked little heart)

(My crooked little heart)
Leads me straight to you
(Yeah, yeah, yeah)
(Yeah, yeah, yeah, oh, oh)
