You we're the one  
To keep my tears  
From falling down  
By telling me I could go on  
When all hope is gone  
So I sing to you this song  
Yes I do  
Like water flowing from the heart  
Into the soul  
You we're the one  
That took my heart  
And mended all the broken pieces  
When I was down  
You picked me up  
And showed my life  
Now I can live  
I can live because of you  
I can live  
I can live because of you  
I can live  
I can live because of you  
I can live  
Because of you I can
