Shut up! Shut up, I know what I want
Fuck you, suit and tie guy
My life, the way I live it

No God, can stop my vision
This earth, means nothing to me
My way, I do it my way

[Chorus]
But I don't know where to go [4x]

*Tell me, why you hate me
Don't tell, I know the reason
Feelings, don't know what that means
Freedom, I laugh about that
Friendship, yeah keep on dreaming
My girl, that's where I die for*

*This is my life, just leave me alone
This is my life, it's not your life
This is my life, just let me do my things
This is my life, I know what's best for me*
