You're always yelling on my head  
Screaming things that I know yet  
Don't do this and don't eat that  
Don't you fart and don't grow fat  
Stay off drugs, never have faith  
Have safe sex or masturbate

[Chorus]

I'm not deaf...I'm just ignoring you!  
I'm not deaf...I'm just ignoring you!  
I'm not deaf...I'm just ignoring you!  
I'm not deaf...I'm just ignoring you!

I have a life and it's all mine  
Don't you dare to touch it when I feel fine  
And if you don't like the way I live  
I'm sorry but I won't change just to give  
To give you the feeling it's under control  
Cause being myself means being free at all

[Chorus]

Would you please shut up so I can tell you this  
Keep your mouth shut cause it stinks like fish  
Just leave me the fuck alone  
Please, shut up my head's turning into stone  
And always when you tell me what I have to do  
Remember I'm not deaf, I'm just ignoring you

[Chorus]
