I laugh hard when you ask me how things are going
You give me a weak hand and have some tittle-tattle
ready

You lick your way up but belong in the sewer
Like an eel in a bucket of mucus, just drop dead!
As a filthy whore sitting on everyone's lap
Slobbering hypocrite, just drop dead!

Punks, yuppies he doesn't care
The prodent-smile deceiving everyone(*1)

ÃfÂçâ, ÑÃ... "Hello how are you doing? ÃfÂçâ, ÑÃ, Â is
your best quote

Well, I'm fine, just drop dead!

ÃfÂçâ, ÑÃ... "You look fine ÃfÂçâ, ÑÃ, Â said the idiot
Well I feel like shit, just drop dead!

My pyrosis' bubbling, too much weak twaddle
Losers with beautiful words, too much talk

ÃfÂçâ, ÑÃ... "Hello how are you doing? ÃfÂçâ, ÑÃ, Â is
your best quote

Well, I'm fine, just drop dead!

ÃfÂçâ, ÑÃ... "You look fine ÃfÂçâ, ÑÃ, Â said the idiot
Well I feel like shit, just drop dead!

(*1 Prodent is a Dutch toothpaste brand)
