Welcome to my funeral!

Raise your hand if you wish I was dead!  
'cause what folks really mean is mostly left unsaid  
Raise your hand, come on  
Raise, raise, raise your hand  
Raise your hand if you all want me dead

What will be said, what will be said as soon I am dead?  
Will no one give a shit, will no one give a shit, or will the  
whole town go mad?  
Will they dance on the tables like it's the best day they  
ever had?  
Or will they say "he was a nice guy, just got in over his  
head"?

Welcome to my funeral  
Good to see you all  
Welcome to my funeral

Raise your hand if you wish I was dead!  
'cause what folks really mean is mostly left unsaid  
Raise your hand, come on  
Raise, raise, raise your hand  
Raise your hand if you all want me dead

What will be said, what will be said as soon as I am  
dead?  
Will they chop me into parts, feed me to the pigs and  
be very very glad?  
Will they dance on my gravestone like it's the best day  
they ever had  
Will they cry but spell my name wrong in my obituary,  
hey!

What will be said, what will be said as soon as I am  
dead?  
Will they call ABC, will they call CNN or the president  
out of bed?  
Will they piss on my grave and tell the world I was a  
knucklehead?

Will my ghost be on the radio, singing all my great  
songs instead?

Bye and thank you all  
For the flowers and the calls  
For being at my funeral  
Bye, bye you all, hope you had some fun, some fun at  
my funeral  
Bye, bye you all, on this rainy day in fall, bye bye you  
all!;
