"Rockstar Heaven"

Visit "[Rockstar Heaven](#)" on MotoLyrics.com

Kurt, Jim, Keith and Jimmy

They were twenty seven

I wanna play with them in Gods' Rockstar heaven

I blow myself away, I blow

myself away

Just blow my head away

If I'm famous and twenty seven

Then I'll blow myself to heaven

At the minute my life ends

I get real Rockstar-friends

Let's play a real cool song

Made by Jim and Kurt

Let's print the whole band

On a T-dye-shirt

Cool idols die young!
