Attention, Attention

This is an EO-service announcement (*1)

All of the dirty words since reports and persons in this
song

Do not mirror historic or true-based facts.

If it still, unexpected, shocks you

Then, then, Jesus Christ, I don't know what then!

I was sitting in a sauna, y'know

Such a hot spot

Where you get in naked and al, and where it's hot and
al,

Is there an Easter Bunny coming in, y'know,

With those big ears, y'know

He spreaded his legs and says to me:

ÃfÂçâ, ÑÃ... "You've got a nice ribbon around your
nutsÃfÂçâ, ÑÃ,Â

I say: ÃfÂçâ, ÑÃ... "What?ÃfÂçâ, ÑÃ,Â

He says: ÃfÂçâ, ÑÃ... "You've got a nice ribbon around
your nutsÃfÂçâ, ÑÃ,Â

I say: ÃfÂçâ, ÑÃ... "I don't have a ribbon around my
nuts man, look at your own nuts!ÃfÂçâ, ÑÃ,Â

He says: ÃfÂçâ, ÑÃ... "Oh, do you want to see my nuts?

Oh, do you want t see my nuts?ÃfÂçâ, ÑÃ,Â

I say: ÃfÂçâ, ÑÃ... "I don't want to see your nuts
dude!ÃfÂçâ, ÑÃ,Â

I got pretty sick of that animal, dude

I thought, get the fuck out of here

I'm walking out,

I see the thermostat and think: 'hehehehe'

THEY'RE MELTING THE EASTER BUNNY!!

ÃfÂçâ, ÑÃ... "But daddy, the Easter Bunny doesn't
exist, does it?ÃfÂçâ, ÑÃ,Â

ÃfÂçâ, ÑÃ... "You must shut the fuck up filthy-out-of-
the-womb-pulled-cunt-child!

If you open your fucking mouth one more time, I bob
your scrotum away

And don't ask those stupid questions,

allright?ÃfÂçâ, ÑÃ,Â

Right, nice, an evening in the sauna
So after that I went to the snack bar, y'know, eat a bit
I was standing in the queue, y'know, and felt
something on my back
I turned around and thought:
ÃfÂçâ, ÑÃ... "Oh no. Nooo!! NOOOO!! IT'S THE EASTER
BUNNY!!
Oh shit, oh no, don't cryÃfÂçâ, ÑÃ, Â
He says to me, he says:
ÃfÂçâ, ÑÃ... "Oh, do you want to see my
nuts?ÃfÂçâ, ÑÃ, Â
ÃfÂçâ, ÑÃ... "MmmmmÃfÂçâ, ÑÃ, Â! YES!!! I WANT TO
SEE THOSE NUTS!!!
COME HERE WITH THOSE BALLOONS!!!ÃfÂçâ, ÑÃ, Â
I pulled off his scrotum
And his nuts were falling all over the floor
It was like: *poing, poing, poing poing*
I scream: ÃfÂçâ, ÑÃ... "I'm sick of you, fucking
animal!ÃfÂçâ, ÑÃ, Â
I grabbed him by his ears and threw him in that boiling
grease-cup
Kssssss, right, nice and clean.

(*the sauna and snackbar adventure is (probably) full
of mistakes, but the accent Marco talks here has wrong
vocabulary in Dutch tooÃfÂçâ, ÑÃ, Â!)
(*1 EO is an extremely conservative Dutch TV-channel)
