It's another shadow
Casted on my wall
Like someone's watching
That I do not fall
Another conscience
Driving me insane
As though I can't fight
It still remains
(Pre-Chorus)
Let me breathe
Then you will see
I'm capable
I don't wanna have another

(Chorus)
Reason why I feel that I must try to hide
I'm pleasing you instead of what I feel inside
I'm not confused I'll just choose to live my life
The way a girl needs to be
I want something more

Time for me to choose my
My own direction but
All around me is
Someone's protection
Time to make decisions
That are right for me
As though inside me
All my thoughts are free

(Pre-Chorus)
Let me breathe
Then you will see
I'm capable
I don't wanna have another

(Chorus)
Reason why I feel that I must try to hide
I'm pleasing you instead of what I feel inside
I'm not confused I'll just choose to live my life
The way a girl needs to be
I want something more
