"Make You"

Visit "[Make You](#)" on MotoLyrics.com

When the rain is blowing in your face
And the whole world in on your case
I could offer you a warm embrace
To make you feel my love

When the evening shadows and the stars appear
And there is no one to dry your tears
I could hold you for a million years
To make you feel my love

I know you haven't made your mind up yet
But I would never do you wrong
I've known it from the moment that we met
No doubt in my mind where you belong

I'd go hungry, I;d go black and blue
I;d go crawlin' down the avenue
There's nothing that I wouldn't do
To make you feel my love

The storms are raging on the rolling sea
And on a highway of regret
The winds of change are blowing wild and free
You ain't seen nothing like me yet

I could make you happy
Make your dreams come true

There is nothin' that I wouldn't do
Go to the ends of the earth for you

To make you feel my love
To make you feel my love
