(I never thought you'd be in my life)

Who would have known that I could like a boy like you
Tall dark and Slytherin, what's a girl to do?
You used your Nimbus to sweep me off my feet.
But now without you by my side I feel incomplete.

Slytherin and Gryffindor, parted by the sorting hat
From rival houses boy but we don't have to be like that
Cause you've confunded me, and now I'm feeling
well
Like this is magical, I'm under your spell.

I never thought you'd be in my life
Two different worlds that we let collide
and it will never be the way it was before
Cause baby I'm a Slytherin and girl you are a
Gryffindor

Yeah yeah yeah
yeah yeah yeah
yeah yeah yeah
Cause baby I'm a Slytherin and girl you are a
Gryffindor

Walking down a corridor with tricks right up my sleeve
bump into this girl that's on my floor, she just wants to
see
what would it be like to hold hands with someone dark
who would have you don't need a wand to start a spark

I'll slyther up to you, you can be my lion cub
Let's share a butter beer down at Rosemerta's pub
I'll chase right after you, you are my golden snitch
I'll be your Wizard love, you are are my only witch

I never thought you'd be in my life
Two different worlds that we let collide
and it will never be the way it was before
Cause baby I'm a Slytherin and girl you are a
Gryffindor

Yeah yeah yeah
yeah yeah yeah
yeah yeah yeah
Cause baby I'm a Slytherin and girl you are a
Gryffindor

Oh girl, this isn't like me.
Two hearts quickly beating.
Ooooh, it's taking hold.
Now our world is shining red and gold.

I never thought you'd be in my life
Two different worlds that we let collide
and it will never be the way it was before
Cause baby I'm a Slytherin and girl you are a
Gryffindor

I never thought you'd be in my life
Two different worlds that we let collide
and it will never be the way it was before
Cause baby I'm a Slytherin and girl you are a
Gryffindor

Yeah yeah yeah
yeah yeah yeah
yeah yeah yeah
Cause baby I'm a Slytherin and girl you are a
Gryffindor
