You can't write the same song over again,
It's in the same key,
Over again, yeah,
Because were doing so good,
Making up for miles just a little while like you would,
Under-estimating, you know you think were doing so
good,
I'm glad to be a part of the glass that you placed upon
your withered heart,
encased and left for danger,
In a race to the rode on the way to apathy,
It's life's little let downs, spontaneity,

You can't write the same song over again,
It's in the same key,
Over again, yeah,
Because were doing so good,
Making up for miles just a little while like you would,
Under-estimating, you know you think were doing so
good,
I'm glad to be a part of the glass that you placed upon
your withered heart,
encased and left for danger,
In a race to the rode on the way to apathy,
It's life's little let downs, spontaneity,
Spontaneity, yeah,

You can't write the same song over again,
It's in the same key,
Over again, yeah,
Because were doing so good,
Making up for miles just a little while like you would,
Under-estimating, you know you think were doing so

It's life's little let downs, spontaneity
