In September when the sky goes gray  
And the clouds are pouring with rain  
Red and yellow will fill the backyard  
I'll be willing to let down my guard  
And make sure you know

By January when it's freezing outside  
And the leaves have all withered and died  
We'll see the white frost sparkle at dawn  
But just before the cold's come and gone  
I'll make sure you know

In the pale light of the falling snow  
I'm gonna tell you, you look beautiful  
Oh...

Then in April when the first birds sing  
And the sun spreads it's warmth on your skin  
Just as sure as the days grow long  
I promise I'll never do you wrong  
I'll make sure you know

As cherry blossoms drift down through rays of gold  
I'm gonna tell you, you've got me sold  
I'll make sure you know
