Sun's still beating down on your windowpane  
If I were leaving wouldn't that be a shame?  
I'm wanting something I can't take  
If I don't get it will I be on my way?

My heart is beating faster than I can admit  
I need a favour if you would only submit  
We've started something I can almost taste  
Can't wait much longer or I'll be on my way

Don't think I want a lifetime  
I just need an hour  
Throw your arms around me  
We'll be on our way  
We'll be on our way

Oh blood is beating down through my fingertips  
As I reach them up to touch your lips  
Don't mean to bother but tell me today  
Well do you want me... to be on my way?  
On my way  
On my way
