Every single morning it
comes without warning
I wake without a sound into my life
And I see the wonder,
the spell that I am under
This is not a sacrifice.
Chorus:
You mean so much to me
You mean so much
Well, they are always talking
but I am never listening
I close myself off from the angry sound
Of all their lies, of all their little cries
This is something more I've found
Chorus
Watch me, baby, I can be
so good to you
and when you feel that something
missing, I will find it for you
Take me in your arms
'Cause there is only one belief
That will keep me safe from harm
You and I will always be

You're everything, everything to me...
