Do you recall that certain chapter
Where pharaohs men were after all of Israel and made
God's people flee
God drowned pharaohs men and the children crossed
upon dry land
I'm tellin you God's gonna do the same for you and me

(chorus)

Well I believe He is while other's just think He was
While they suppose He did, I know He still does
And I'm holdin to the promise where two or three agree
God's gonna do the same for you and me

Well He healed ole Jirus' daughter
He made the wine out of water
He was there when Peter crossed on the raging sea
And He fed the little sparrow and
He put the meal in the widow's barrel
I'm tellin you God's gonna do the same for you and me

(repeat chorus)
