Verse 1: In a roomful of mirrors we can pretend who we can be, a dancer in a top-hat or a captain of the sea.

We could make funny faces but we're not just what you see there's a lot inside us we hope to grow and be.

Chorus: 'Cause I just wanna be, to look and sound just like me. I just wanna be myself for everyone to see.

Verse 2: We can have such fun and we can get along one to one. We can make up stories, way past the setting sun. We can be the most imaginary people on this earth, if you leave it up to us to decide our human worth.

Chorus: 'Cause I just wanna be, to look and sound just like me. I just wanna be myself for everyone to see.

Chorus: 'Cause I just wanna be, to look and sound just like me. I just wanna be myself for everyone to see.
