"Save Yourself for Me"

Do the nights seem so long
Is it hard to be so strong
Can there be an easy way
Empty words that people say

Save yourself for me
Let our love be free
Nothing can go wrong
Darling, Save yourself for me

There will be another day
Look ahead so unafraid
Faith in love is all you need
Tell me once that you believe

Save yourself for me
Let our love be free
Nothing can go wrong
Darling, Save yourself for me

Time's an illusion
Cause for confusion
Ours is a moment
That will last
'Til the end of time

Save yourself for me
Let our love be free
Nothing can go wrong
Darling, Save yourself for me

Time's an illusion
Cause for confusion
Ours is a moment
That will last
'Til the end of time

'Til the end of time
...the end of time
...end of time
'Til the end of time
...end of time

...my love
...oohooohoh
