i've heard all your excuses
and i've heard how hard it was for you
i've heard it's best to move on
and i've heard jesus said 'forgive'

i've really tried but i'll never
forgive you
i've really tried but i'll never forgive you
i've really tried but i'll never forgive you
i've really tried but i'll never forgive you

i've heard all your excuses
and i've heard how hard it was for you
i've heard it's best to move on
and i've heard jesus said 'forgive'

i tried really hard but i'll never forgive you
i tried really hard but i'll never forgive you
i tried really hard but i'll never forgive you
i tried really hard but i'll never forgive you
