It was an early morning phone call in December that
got my attention
they called to tell me that you have gone,
you were the strength of all my hopes and inspirations,
you are the music in my song, sometimes what doesn't
seem so fair,
that's what makes us more aware, oh yeah,

I know you're smiling, I know your singing, and I know
that you're in a
better place, where angels wings caress you, but I still
miss you.

More than leaves have fallen in this October, its just
that I wanted to
stand with you for awhile, now I am walking through a
doorway to
tomorrow, More like running, running out of time.

Sometimes what doesn't seem so fair, that's what
makes us more aware,
oh yeah,

And I know you're smiling, I know you're singing, and I
know that you're
in a better place, where angels wings caress you, but I
still miss you

I still miss you, yeah yeah,

ooo ooo ooo, ooo ooo ooo, ooo ooo ooo oooh

It was an early morning phone call, December, that got
my attention,
they called to tell me that you have gone,

I know you're smiling, I know you're singing, and I know
that you're in
a better place, where angels wings caress you, but I
still miss you!

I know you're smiling, I know you're singing, yea, and I
know you're
flying! I know you're singing.....your song.....
