And I pray to the creator
For the gifts we see each day
They're not materialistic
But the gifts of each person

Yeah... Hey... Yeah...

When you look to the book it
Doesn't matter which one
It will teach, teach well of laughter
To respect & treat brothers right

Yeah... Oh, hey... Yeah...

Thy lives in my womb
Thy lives in my soul
Thy lives in my brain
It's all my own

Thy lives in life
Thy lives in life
Jah lives in me
Jah lives in me

Yeah... Oh oh oh, hey... Yeah... Oh...
