I cut your picture from the middle of a magazine
'Cause that's the only way I get you lying over me

Get more when you give it away
Get more when you give it away

Gimme your love, give me all your love
Don't let it stop
Give me your love, Yeah!
Give me everything that you've got

Gimme your love, give me all your love
Don't let it stop
Give me your love, Yeah!
Give me everything that you've got

My name is I don't care and I am a celebrity
I'll make you famous all you got to do is sleep with me

Get more when you give it away
Get more when you give it

Gimme your love, give me all your love
Don't let it stop
Give me your love, Yeah!
Give me everything that you've got

Gimme your love, give me all your love

Don't let it stop
Give me your love, Yeah!
Give me everything that you've got!

I've got a feeling that I'm gonna take you home with me
And by the morning baby we could start a family

Get more when you give it away
Get more when you give it away

Gimme your love, give me all your love
Don't let it stop
Give me your love, Yeah!

Give me everything that you've got

Gimme your love, give me all your love
Don't let it stop
Give me your love, Yeah!
Give me everything that you've got

Gimme your love, give me all your love
Don't let it stop
Give me your love, Yeah!
Give me everything that you've got

Gimme your love, give me all your love
Don't let it stop
Give me your love, Yeah!
Give me everything that you've got
