One, two, three, four!

Momma doesn't let me keep her gun under my bed
She's afraid I'll use it on the voices in my head
She's gonna treat me like a man when I am

King of the world
Only for the day
I'd take the sun over you right away
Mess with your mind
So you can feel my pain
Maybe then you'd never break my heart
Again

And when I'm hanging with the angels in the sky
You're in the ghetto with the devil getting high
You're gonna burn baby burn when I am

King of the world
Only for the day
I'd take the sun over you right away
Mess with your mind
So you can feel my pain
Maybe then you'd never break my heart

Again

I know that everybody wants to be invincible
Well maybe if you didn't have to try so hard
We can start over again
Now you've got to

Run away
You better run every time that you see my face
'Cause I'm the joker looking for my sweet revenge
And you're so easy to blame
When they make me

King of the world
Only for the day
I'd take the sun over you right away

King of the world
Only for the day
I'd take the sun over you right away
Mess with your mind
So you can feel my pain
Maybe then you'd never break my heart
Again
