She's sitting all alone
Crayons and bows
Does everybody know?
Ashlyn just does

If Heaven has her
Why is everyone sad?
Ashlyn sits quietly
Not feeling so bad

Take the girl out of here
And let me think about my life
And how it's over
After this
Someone tell me what to do
Now that it's over (x2)

Ashlyn has a flower
She holds in her hand
Her hands are folded neatly
Into her lap

A perfect little angel
A sweet little girl
What's it gonna be like
In her small world?

Take the girl out of here
And let me think about my life
And how it's over
After this
Someone tell me what to do
Now that it's over (x2)

I can't think now that it's over
I can't think now that it's over
No, I can't think now that it's over

Take me
Take me
Take me closer to Ashlyn

Cause I can't make
No I can't make it anymore

Take me
Take me closer to Ashlyn
