Well here we are again
Another point of self destruction
Just trying to get past
This awful day
Just trying to get past
All these mistakes I've made

But the past won't go away
I'm tainted by my past
My mistakes are haunting me
I wish they would just go away

Because I can't take another day
Living my life in fear
And when I go to sleep at night
I cry myself
I can't take another day
I can't take another day
Living like this
I'm drowning in all the lies

This isn't the way that
My life is supposed to be
No, no, no, no
I just want to live my life
Happily and freely
That's all I want

Yeah I try to let myself go
I try to let my feelings show
But I'm so afraid of letting go
Because I don't want to
Lose everything
I'm so afraid and now look at me
I'm losing my ground
Because I can't take another day
Living my life in fear
And when I go to sleep at night
I cry myself
I can't another day
Living like this
I'm living in all these lies

Is this the way it's gonna be
I'm going round and around
In circles
Just trying to figure out
What to do
But I'm so confused
My heads a mess today

Because I can't take another day
Living my life in fear
And when I go to sleep at night
I cry myself
I can't another day
Living like this
I'm living in all these lies

Because I can't take another day
Living my life in fear
And when I go to sleep at night
I cry myself
I can't another day
Living like this
I'm living in all these lies
